

## DUODJI (Arctic Crafts And Design)

**Task name:** A right-hand leather mitten

**Task maximum points:** 100 points

**Task time limit:** 11 hours, including breaks

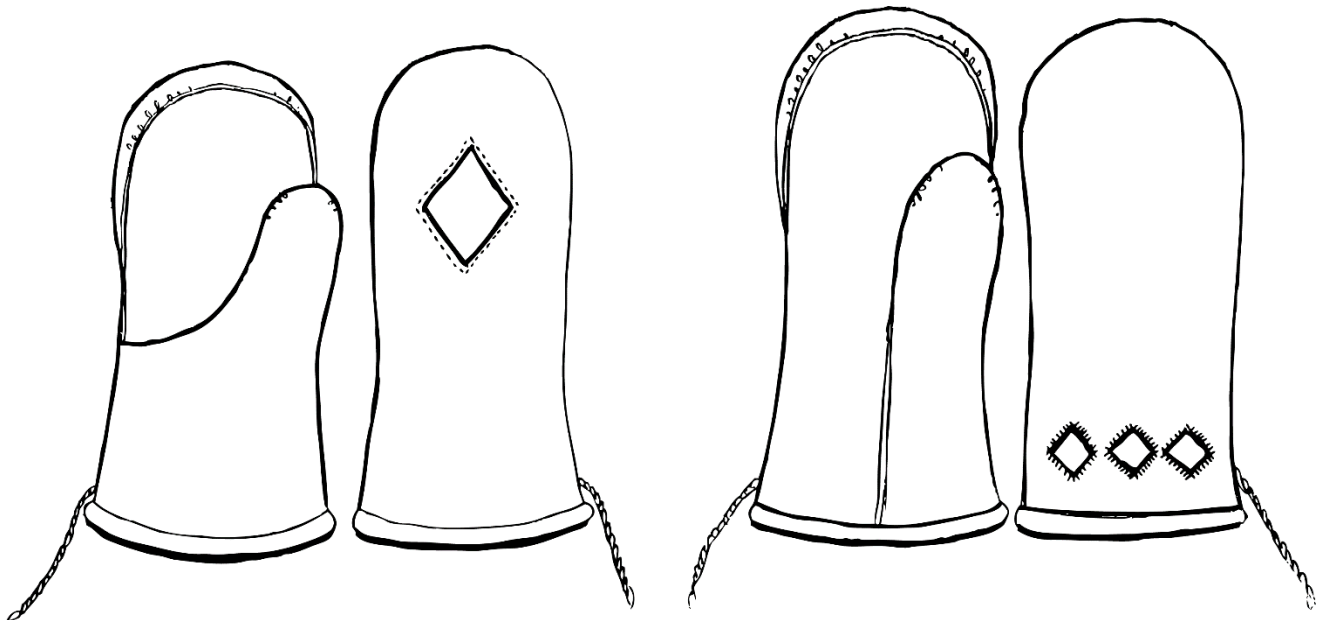

Tuesday 17.4.2018, from 10.00 to 15.00

Wednesday 18.4.2018, from 8.00 to 14.00

### Task description:

Participant designs and sews a right-hand leather mitten with lining and decoration. The main material for the mitten is traditionally tanned reindeer leather (*sisti*). Decoration and lining are obligatory but free with design and materials. Material for lining is not provided by the organizers, participant has to bring it with. Participant gets two types of ready-made patterns but can modify them to fit.

1. Cut materials.
2. Design and make decoration for the mitten. Keep it simple.
3. Assess and decide how to sew lining and edging.
4. Sew together the mitten with decorations.
5. Finish the mitten.

## Assessment criteria

### Health, Environment, Safety and Organization of Work

1-10 points

- Ergonomy.
- Use of proper tools.
- Cleaning and tidiness.
- Safety.
- Taking into account other participants.

### Cut out parts of leather and cloth

1-10 points

- Adapting the pattern.
- Economical use of materials.
- Cutting lines.

### Decorations

1-10 points

- Accuracy in forms.
- Accuracy in stitching.
- Originality in design.

### Hand sewing the mitten

1-20 points

- Stitch length.
- Accuracy in seam allowance.
- Accuracy in gathering (*guohpat*).
- Piping.

### Lining

1-10 points

- Use of sewing machine.
- Use of material.
- Making lining the right size.
- Accuracy in seams.

### Finishing the mitten

1-10 points

- Edging.
- Efficiency.

### Aesthetics and fit

1-30 points

- Balance of colors, forms and material.
- Suitability for use.

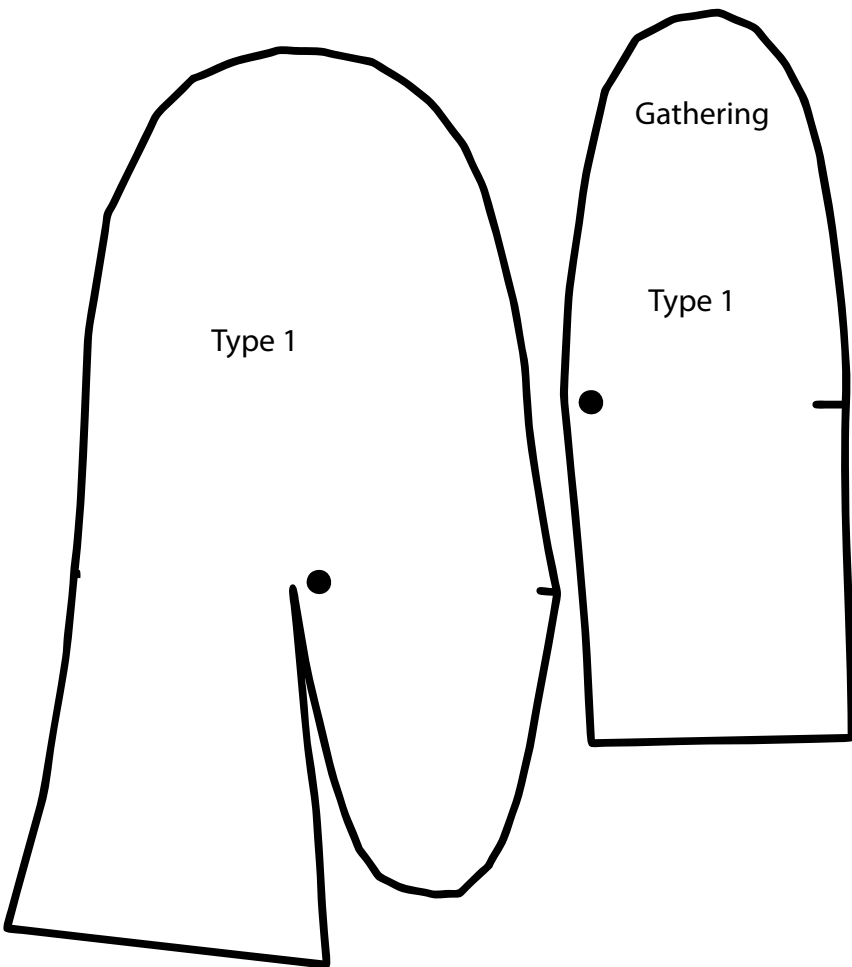

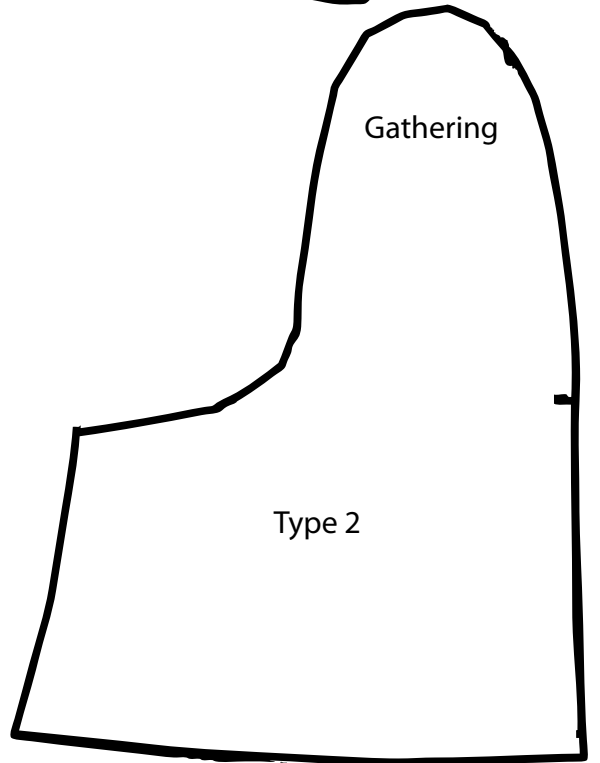

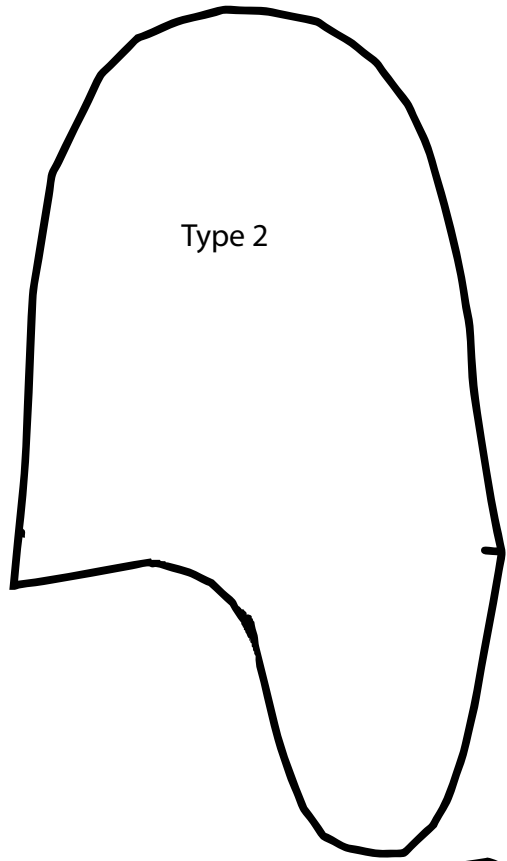

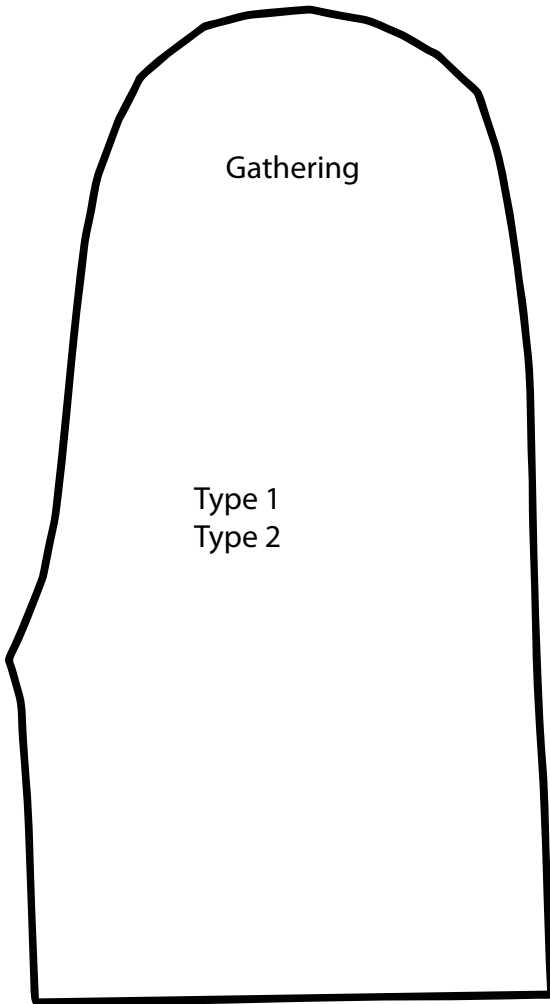

## Materials and equipment for a participant provided by the organizers

- Traditionally tanned reindeer leather (sisti)
  - Artificial sinew
  - Cloths in different colors (red, white, blue, yellow, green)
  - Beads in different colors (red, white, blue, yellow, green)
  - Wool yarn in different colors (red, white, blue, yellow, green)
  - Pewter thread, diameter 0,35 mm (silver color)
  - Machine thread (black, white, red, blue, yellow, green)
  - Interlining (woven and non-woven)
- 
- Leather needle (áibmi)
  - Sewing needles
  - Thimble
  - Sewing machine
  - Scissors
  - Measuring tape
  - Pins
  - Patterns
  - Example photos for inspiration
  - Iron
  - Ironing board
  - Pencil
  - Paper for designing and patterns

**Notice! Material for lining is not provided by the organizers.**

Participant can bring personal

- Leather needles
- Thimble
- Scissors
- Ribbons for decorating
