14.30-14.40	Dress up and cleaning station	
14.40 -	Judges working	
KI 18.00 -20.00	Closing ceremony with awards	

Each country contributes one candidate and one professional. This means one from Russia, one from Finland and one from Norway.

The upper age limit for candidates is twenty-two years and they must be in the first or second year of the hairdresser education.

Equipment:

The candidate will be given the mannequin heads Ingrid from Pivot Point.

The candidate must bring their own personal equipment, such as scissors, combs, brushes and hair curlers.

A hair dryer and stand can be borrowed from Kirkenes high school.

The candidate will be given t-shirts.

The candidate will notify the organizer of the competition if color and styling products are required at least one month before the competition. If a competitor does not indicate the colors he or she needs, he or she is required to bring them to the competition. The competitor brings with him the necessary personal tools, such as aprons and work shoes.

Task 1: Ladies long hair on Ingrid

Updo for ladies long hair.

Pivot point head: Ingrid. Hair shall be in an updo, not more than 20 % of loose hair is allowed.

Theme: Young gala

It is prohibited to use any kinds of cushions or fillers. It's not allowed to cut hair.

Formal wear must be used. It's possible to use make up. The final result should harmonize with the clothes.

Working time: 2 hour

Task 2. Ladies haircut

Theme: a creative, marketable haircut (not OMC haircut)

Color : you shall color the hair. Use Igora Color Worx or Igora Vibrance. You must use at least two different colors.

Pivot Point: Ingrid.

Hair cut: The haircut should be a creative, marketable haircut with graduated form and an optional form. All kinds of hair cutting equipment are allowed, except a haircutter machine. It must be shorter than the shoulder. The candidate selects the graduated low, middle or high he / she wishes.

Colour: Only Igora Vibrance colours or Color Worx are allowed to be used in this module. Competitors cannot use coloured sprays, glitter, coloured gels, coloured melousses, bleaches and oxidizing colours. All hair must be colored. All colour cover techniques are allowed. It is up to the competitor how many colours he or she wants to use.

Hairstyle shaping should be trendy. Only a hair dryer and brushes are allowed in this module. Other heating tools are not allowed. The final results will be a marketable hairstyle. All styling products found on the product list are allowed.

Formal wear must be used. It's possible to use make up. The final result should harmonize with the clothes.

Working time: 3 hours
