

ArcticSkills 2021

Competence "Hairdresser"

Competition task

Program:

Monday 22 march to wednesday 24 march 2021

Thursday 23 march 2021

Time	What is happening	Notes
08.30-09.00	Judges and competitors will meet	We meet on video/film/teams
09:00-12.30	Color, hair cutting and shaping on Ingrid	
12.30-12.40	Dress up and cleaning station	
12.40 - 1300	Picture for the finish result	
KI 13.00	Judges working	

Each country contributes one candidate and one professional. This means one from Russia, one from Finland and one from Norway.

The upper age limit for candidates is twenty-two years and they must be in the first or second year of the hairdresser education.

The competition will be videofilm and picture.

Equipment:

The candidate will be given the mannequin heads Ingrid from Pivot Point.

The candidate has their own personal equipment, such as scissors, combs, brushes, semi-color, color equipment, hair dryer and hair curlers.

Task Ladies haircut

Theme: a creative, marketable haircut (not OMC haircut)

Color : you shall color the hair. Use optional semi-color/ direct color. You must use at least two different colors. All hair must be colored. All colour cover techniques are allowed. It is up to the competitor how many colours he or she wants to use.

Pivot Point: Ingrid.

Hair cut: The haircut should be a creative, marketable haircut with two optional forms. All kinds of hair cutting equipment are allowed, except a haircutter machine. It must be shorter than the shoulder. The candidate selects which two forms they wants to use.

Hairstyle shaping should be trendy. Only a hair dryer and brushes are allowed in this module. Other heating tools are not allowed. The final results will be a marketable hairstyle. All styling products found on the product list are allowed.

Formal wear must be used. It's possible to use make up. The final result should harmonize with the clothes.

Working time: 3,5 hours

The organizer of the competition reserves at the competition venue:

- Pivot Point Contestants, Ingrid
- Styling product: OSIS+
- Racing head holders

List of hair products allowed in the competition:

Schwarztkopf OSIS+ session label:

- Super dry flex
- Super dry fix
- Salt spray
- Volumizing mousse
- Miracle 15
- Crystal gel
- Cool putty
