The Kolarctic CBC

We have received information that RIIKKA OITTINEN from Kolarctic MA has changed her position at the Kolarctic MA office in Rovaniemi this summer. At the same time, she changed her surname to HOLSTER. Her successor will be MARJAANA LAHDENRANTA who will meet at the Board meeting in Ivalo this Autumn We are looking forward to that.

We would like to thank RIIKKA for her support and patient, especially handling the 1st Interim report, so fare. We know that she will follow the Project closely in future. All the best to Riikka.

Annual report 2020

Since the digital competition in the Spring 2021 we have work intensively with and finalized the Annual report 2020.

ArcticSkills

1st Interim report 2020

Unfortunately, we have not succeeded in finalizing 1st Interim report, the financial part, within the set timeline. The Narrative report is done and handed over to MA within the set timeline. We are still working on the report. 15th October is the absolute last date for submitting the 1st Interim report into PROMAS. No further postponement accepted!

Board meeting – physical in Ivalo in late October.

The Chair has decided to arrange the first Board meeting, physical, in Ivalo after 1 ½ years on Teams.

Agenda at this meeting will be:

26th – 27th October 2021 Ivalo, topics:

- Impact of Covid-19, status report from the Regions
- Sum-up digital competition 2021 in Övertorneå
- 1st Interim report 2020 and finance 2020 – follow-up
- 2nd Interim report 2021 – The way ahead
- Annual report 2020
- Mandate Annual report 2021 and Narrative report 2021
- Excursion in Ivalo
- ArcticSkills 2022 – Murmansk – work shop

Experts meeting this Autumn

Regardless of competition location and content, the networks want to continue the work with the tasks in an arena for social networking and continued cooperation. Meetings by Teams, e-mail, phone etc. will from now on, in general, be replaced by physical meetings. The next up-coming expert meeting is planned to take place in Murmansk or Rovaniemi November 30th this year, at the same time as we are planning a Board meeting. These matters will be discussed and decided at the Board meeting in Ivalo 27th October.

ArcticSkills 2022. Status of preparations – location and content

The Board will decide location and content for the Tournament in March/April 2022, at the next Board meeting in Ivalo 26th – 27th October, due to Covid-19 travel restrictions between Russia and the Nordic countries, vice versa.

The competition program in 2022.

Independent of the situation we are still competing in the 16 existing competences. The program for the competitions will as soon as the Board has decided, be presented in former newsletters. Anyway, here is a reminder:

Existing competences

1. Building constructions
2. Car painting
3. Cooks
4. Electrician
5. Hairdresser
6. Heavy machinery operator
7. Decorative painting of interiors
8. IT-service
9. Motor vehicle mechanic, light-duty vehicles
10. Plumber
11. Reindeer operations
12. Welder
13. Duodji
14. Health and social care
15. Waiter
16. Tourism

Modified competences/New competences/Demonstration 2022
